## HOTEL ROOMS

NU Hotel boasts a dynamic urban vibe, where street art combines with relaxing nooks to create a refreshing place to lounge. Each of the 93 loft-inspired guestrooms feature recycled hardwood floors and furniture, floor-to-ceiling curtains and retro-inspired headboards. In select guestrooms, the walls themselves are works of art, as they feature large-scale murals by local artists as part of the NU Perspectives program.

## DINING

Misdemeanor, located in the lobby of NU Hotel, offers the perfect mix of urban cool and laidback fun serving specialty cocktails with refreshingly local ingredients: local gin, whiskey, and wine are all poured here. During the warmer months, the lounge opens onto the street - becoming downtown Brooklyn's largest sidewalk bar and lounge.

## NU PERSPECTIVES

As a part of the NU Perspectives Project, NU Hotel has given creative license to a number of local artists to liven up select guestrooms at the hotel. The hotel's white walls and loft-like design serve as a blank canvas on which the artists can put their signature creations with floor-to-ceiling murals. Currently, NU Hotel boasts 15 NU Perspective guestrooms and is always accepting submissions.
